

201 Cypress Drive

Laguna Beach, CA · 7 units · Acquired March 2021 · Sold May 2023

LEVERED RETURN	PROFIT
59.13%	\$1,097,116

THE OPPORTUNITY

WVC's third Cypress Drive acquisition in Laguna Beach (after 245 Cypress and 374 Cypress). By March 2021, WVC was the dominant operator on this single street — sourcing, underwriting, and managing the asset alongside two existing portfolio properties within walking distance.

THE STRATEGY

Acquire, renovate, exit into the strongest Southern California coastal multifamily window in a generation. CapEx of \$314K on a \$3.15M acquisition (10% of price) — a meaningful interior reposition. Held 26 months from acquisition to sale.

DEAL SNAPSHOT

Acquisition Price	\$3,150,000	Loan Amount	\$2,047,500
Per Unit	\$450,000 / unit	Loan-to-Cost	52%
CapEx	\$313,884	Equity Invested	\$1,855,384
Total Cost	\$3,902,884	Sale Price	\$5,000,000
Hold Period	26 months	Exit Per Unit	\$714,000 / unit

INVESTOR TAKEAWAY

The first WVC deal to clear \$1M in realized profit. A 59% levered return on a coastal trophy asset, executed with WVC's standard discipline — conservative leverage, light-but-targeted CapEx, sale into the right window. The Cypress Drive cluster (245 + 374 + 201) collectively demonstrates how submarket density turns into outsized returns over time.
