

2312 Santa Ana

Costa Mesa, CA · 12 units · Acquired August 2023

EST. LEVERED RETURN	ESTIMATED PROFIT
18.97%	\$727,000

THE OPPORTUNITY

A 12-unit asset in Costa Mesa — VWC's first Costa Mesa acquisition, expanding the OC submarket footprint into one of the County's denser infill rental markets. Costa Mesa's mix of South Coast Plaza-area employment, OC Fairgrounds, and proximity to Newport Beach makes it a structural rental demand market.

THE STRATEGY

The largest single-asset CapEx commitment in the VWC portfolio at acquisition: \$890K — 15.6% of the acquisition price. This was a deeper reposition than the typical VWC deal, justified by the Costa Mesa rent ceiling.

DEAL SNAPSHOT

Acquisition Price	\$5,700,000	Loan Amount	\$3,240,000
Per Unit	\$475,000 / unit	Loan-to-Cost	46%
CapEx	\$890,000	Equity Invested	\$3,833,000
Total Cost	\$7,073,000	Est. Market Value	\$7,800,000
Hold Period	Stabilized	Exit Per Unit	\$650,000 / unit

INVESTOR TAKEAWAY

A 19% projected return on a heavier-touch reposition. Costa Mesa is the pattern of VWC scaling up: deeper CapEx, larger equity commitment, conservative leverage (46% LTV), new submarket added to a portfolio that's already operating across Huntington Beach, Laguna Beach, Fullerton, and San Diego. Each new metro extends the franchise.
