NEWEST ACQUISITION

ORANGE COUNTY, CA January 19, 2021 /PRESS/VWC announces their newest acquisition: a niche multifamily property located in Huntington Beach, CA.

The Charlene Circle apartments is a six-unit apartment property purchased for \$2,100,000 and represents VWC's third acquisition in this highly coveted coastal rental market. The property is located on a quiet cul-de-sac immediately next door to an existing VWC property, (six units - 4931 Charlene Circle acquired in August 2019). The two sister properties share a common driveway as well as the same building footprint and unit configuration. Charlene Circle offers residents quality neighborhood living as well as ample parking (garage and open space), balconies in select units, on-site laundry, and proximity to employers, institutions, retail, and local attractions. At the time of acquisition, there was one unit vacant (3B x 2BA).

Huntington Beach is one of Southern California's most populated beach cities. Named one of the "Best Cities to Live in Orange County" by OC Weekly, Huntington Beach offers residents a mild climate, a beach culture, a diversified economy, and exemplary health care services.

The purchase of the Charlene Circle apartments represents the second apartment property acquisition in only three months for the "VWC Multifamily Fund IV", and the seventh property acquired in Fund IV overall. Having recently opened to new Investors on September 1, 2020, Fund IV is focused exclusively on sub-institutional, "value-add" apartment properties and employs a conservative loan-to-value strategy to greatly lessen Investor's risk of losing principal. The Fund pays a quarterly distribution of 1.5% per Quarter to its Investors.

Exterior and interior renovations are already underway at the property. Improvements are scheduled to be completed by June 2021 in anticipation of an active Summer leasing schedule.

Contact VisionWise Capital at 949 441-5580, or email sanford@visionwisecapital.com for a Fund IV Private Placement Memorandum and Transaction History. Fund IV is a Reg D Offering and available to Accredited investors only.
