THE OPPORTUNITY

WVC's first multifamily acquisition in Laguna Beach — a six-unit asset within walking distance of the downtown art district, beaches, and restaurants. This deal opened a coastal submarket WVC would return to four more times (374 Cypress, 201 Cypress, 1570 N PCH, and others).

THE STRATEGY

Extensive interior renovations across 2018-2019 to capture the Laguna Beach lifestyle premium. Held through COVID and the 2020 disruption, then sold to a local investor at \$579K/unit — well above the acquisition basis of \$475K/unit.

INVESTOR TAKEAWAY

The deal that established WVC's footprint in Laguna Beach. From the sale press release: "VisionWise Capital still retains a portfolio of properties in Laguna Beach... within minutes of the former Cypress property." One acquisition created the local relationships, broker visibility, and operating presence that compounded into a multi-property submarket strategy. Returns are not the only output of a deal — market knowledge is too.
