

1629 Civic Center Drive

Santa Ana, CA · 14 units · Acquired March 2022 · Sold August 2022

LEVERED RETURN 15.65%	PROFIT \$312,635
---------------------------------	----------------------------

THE OPPORTUNITY

A 14-unit asset in Santa Ana — an OC market with persistent rental demand from the County's largest workforce concentration (Civic Center, hospitals, courts). The acquisition was VWC's first 14-unit deal, scaling unit count without scaling complexity.

THE STRATEGY

Acquire, stabilize, and sell quickly — fewer than 5 months from close to disposition, the shortest hold in the portfolio. Light CapEx (\$68K — under 2% of acquisition) signals the asset was largely turnkey at acquisition; the value capture was in the cap rate, not the renovation.

DEAL SNAPSHOT

Acquisition Price	\$4,100,000	Loan Amount	\$2,665,000
Per Unit	\$293,000 / unit	Loan-to-Cost	57%
CapEx	\$67,615	Equity Invested	\$1,997,365
Total Cost	\$4,662,365	Sale Price	\$4,975,000
Hold Period	5 months	Exit Per Unit	\$355,000 / unit

INVESTOR TAKEAWAY

A 15.65% return earned in five months. Not every WVC deal is a 24-month renovation play — when an opportunistic exit appears mid-cycle, the firm takes it. Speed-to-exit is its own form of risk management: the capital came back to investors and into the next deal before the late-2022 cap-rate widening.
