

121-131 Lincoln Avenue

Fullerton, CA · 12 units · Acquired August 2022

EST. LEVERED RETURN 24.51%	ESTIMATED PROFIT \$531,500
--------------------------------------	--------------------------------------

THE OPPORTUNITY

A 12-unit, multi-parcel asset in Fullerton — acquired two weeks after the same-city Malden Ave purchase. By August 2022, VWC was running a coordinated Fullerton sub-strategy (Porter 2017 + Malden 2022 + Lincoln 2022) that mirrored the Laguna Beach Cypress Drive cluster from earlier years.

THE STRATEGY

Acquire the multi-parcel package, renovate across all 12 units, push rents to current market. CapEx of \$437K (10.9% of acquisition) covered a moderate-to-heavy reposition.

DEAL SNAPSHOT

Acquisition Price	\$4,000,000	Loan Amount	\$2,600,000
Per Unit	\$333,000 / unit	Loan-to-Cost	55%
CapEx	\$436,500	Equity Invested	\$2,168,500
Total Cost	\$4,768,500	Est. Market Value	\$5,300,000
Hold Period	Stabilized	Exit Per Unit	\$442,000 / unit

INVESTOR TAKEAWAY

A 24.5% projected return — right on the portfolio average of 23.95% — earned in the post-2022 cap-rate environment. The Fullerton cluster (Porter, Malden, Lincoln) demonstrates VWC's preference for compounding submarket presence over chasing new geographies. Multi-parcel acquisitions also offer a packaging premium at exit.
